Projects done as a consultant.

Cruise India Tour 2014:

I was a Consultant Creative Head for the project. I was handling anything and everything related to the aesthetic appeal of the event (concept, design, movie etc.)

Krono iinc:

I was a Consultant Creative collaborator with the organization. I was handling creative account ranging from Branding to Digital presence of the different accounts.

Lafarge India:

I am Creative Consultant for the organization for Mumbai division.

M R Shipping:

Brand Development for the product/service. the key work involved design and development of the logo and registration of the same.

MY Labyogi:

Complete branding for the product, starting from logo design/development to character development and website creatives.

Naturell India Rite Bite:

Infomercial Design. The work include scripting, story boarding, directing and post production.

Organic Garden:

Branding of the product and service. The job involved Logo design and development and store design.

Touch:

Branding and Exhibition Design.
